Work experience

2021-2022

Mocha coffe house

***title**

From waiter to cashier.

firstly i start by waiter whos takes the customer their orders,. For a Welcoming people and waiter. After while they upgrade me and i get a top position that was cashier, and then i changed one of the best employee for that company for each side by the side of the customer and by the inside of employee.

2019-2021

MAF clothes shop

***title**

sales,

my responsibility of that company was to sell the products and to satisfying customers. After while i started to plan A new strategy that based on how to sell more products that plan was successful.
